

## Entrelac Beanie Knitting Pattern

### Materials:

- Yarn: Approximately 75 yards of super bulky (6) or bulky (5) weight yarn (whichever weight you can achieve gauge with) for smaller sizes, and approx. 125 yards for largest sizes in your choice of two or three colors (I used Katia Odisea)
- Knitting Needles: Size 9.0 mm (US 13) Circular Needles (with a length smaller than the circumference of the size hat you are working on) and Double Pointed Needles (DPNs) (or use the magic loop method).
- Yarn or Tapestry Needle

### Abbreviations:

- Sl: Slip the next stitch as if to purl
- TW: Turn Work
- SSK: Slip the next two stitches as if to purl, and then knit them off of the right needle through the back loops (This is demonstrated in Video 3)
- SSSK: Slip the next three stitches as if to purl, and then knit them off of the right needle through the back loops

- P2tog or P3tog: Purl two or three stitches together as stated
- WS: Wrong Side (Purled Side)
- RS: Right Side (Knit Side)
- \*\*: Repeat section between the stars as specified

### Gauge:

6 sts and 8 rows = 2 inches in stockinette st.  
Be sure to check your gauge along the base of your finished project as you work the project up. Entrelac knitting can be looser than normal knitting, and your basket may turn out the wrong size if you don't continue to check your gauge  
\*\*\*It is important to check your gauge!\*\*\*
