Round 1: Single Crochet into each stitch around (6 total sts)

Continue to Single Crochet each round until your piece measures approx. 3 inches (7.5cm) from the starting edge.

Cut your yarn with an approx. 12 inch yarn tail. Secure your last stitch, and use your yarn needle to pick up each of your last stitches and cinch the tip of your antler. Use yarn needle to pull yarn tail to inside, tie a knot, and weave in the end.

Use your starting yarn tail to secure your antler to the upper side of your hat, facing directly out. Insert your hook through the uppermost stitch on your antler approx. .75 inches (2cm) from the outer edge, and pick up your yarn. This is the start of your outer antler tip.

Pick up two sts towards the base of your hat, and then turn to work the opposite direction, picking up two more sts for a total of 4 stitches.

Work these 4 sts with single crochet in the round until your outer antler tip measures approx. .5 inches (1.25cm) tall. Use your yarn needle to cinch the tip like you did previously.

Repeat this process for the inner antler tip approx. .5 inch (1.25cm) towards the base of the hat.

Round 1: Single Crochet into each stitch around (8 total sts)

Continue to Single Crochet each round until your piece measures approx. 3.5 inches (8.75cm) from the starting edge.

Cut your yarn with an approx. 12 inch yarn tail. Secure your last stitch, and use your yarn needle to pick up each of your last stitches and cinch the tip of your antler. Use yarn needle to pull yarn tail to inside, tie a knot, and weave in the end.

Use your starting yarn tail to secure your antler to the upper side of your hat, facing directly out. Insert your hook through the uppermost stitch on your antler approx. .75 inches (2cm) from the outer edge, and pick up your yarn. This is the start of your outer antler tip.

Pick up two sts towards the base of your hat, and then turn to work the opposite direction, picking up three more sts for a total of 5 stitches.

Work these 5 sts with single crochet in the round until your outer antler tip measures approx. .75 inches (2cm) tall. Use your yarn needle to cinch the tip like you did previously.

Repeat this process for the inner antler tip approx. .5 inch (1.25cm) towards the base of the hat.
