Secure yarn and cut and weave in all ends. Cut three strands of yarn approx. 38 inches long and pull them in a loop through a front corner of your project. Pull the ends of the yarn through this loop (this attaches the yarn without any knots, and makes your project look smoother). Separate the yarn into three sections and braid them to desired length. Secure and cut yarn evenly on the ends. Repeat on the other side of the kerchief as well. Decorate to taste.

Secure yarn and cut and weave in all ends. Cut three strands of yarn approx. 38 inches long and pull them in a loop through a front corner of your project. Pull the ends of the yarn through this

loop (this attaches the yarn without any knots, and makes your project look smoother). Separate the yarn into three sections and braid them to desired length. Secure and cut yarn evenly on the ends. Repeat on the other side of the kerchief as well. Decorate to taste.
