

Truck Hauler Hat Crochet Pattern

Materials:

- Yarn: Approximately 135 yards of worsted (4) yarn for smaller sizes (approx. 50 yards of base color 1, approx. 50 yards of base color 2, approx. 8 yards each of truck colors 1-3, and approx. 10 yards of black tire yarn), and approx. 310 yards for larger sizes (approx. 75 yards of base color 1, approx. 100 yards of base color 2, approx. 8 yards each of truck colors 1-3, and approx. 10 yards of black tire yarn). I used a combo of yarns I had on hand including Paton's Classic Wool and Lamb's Pride Superwash
- Crochet Hook: Size 5.5 mm (I/9) OR whatever size is needed to obtain gauge
- Yarn or Tapestry Needle

Abbreviations:

- DC: Double Crochet
- CH: Chain
- FPDC: Front Post Double Crochet
- BPDC: Back Post Single Crochet
- FPDC2tog: Front Post Double Crochet the next two stitches together
- **: Repeat the section in between the two stars as specified

Gauge:

8 sts and 6 rows = 2 inches (5 centimeters) in Front Post Double Crochet
For a flat swatch, alternate each row between front post double crochet and back post double crochet
It is important to check your gauge!

Average Head Circumference:

Newborn: 13-14"
0-3 Months: 14-15"
3-6 Months: 14-17"
6-12 Months: 16-19"
1-3 Year: 18-20"
3-10 Years: 19-20.5"

For color changes, use the new color as the last loop of the last stitch of the color you are changing from in order to keep the color changes looking clean. For color-work sections, you are welcome to choose the method that best works for you. I carried my black tire yarn and my base color 1 yarn along the inside of the hat for each round. For the trucks, I created 2.5-3 yard long segments of yarn to work each individual truck with. I did not carry the truck yarn along the back.
