

Truck Hauler Hat Knitting Pattern

Materials:

- Yarn: Approximately 75 yards of bulky (5) yarn for smaller sizes (approx. 20 yards of base color 1, approx. 30 yards of base color 2, approx. 6 yards each of truck colors 1-3, and approx. 5 yards of black tire yarn), and approx. 225 yards for larger sizes (approx. 75 yards of base color 1, approx. 125 yards of base color 2, approx. 6 yards each of car colors 1-3, and approx. 10 yards of black tire yarn). I used a combo of yarns I had on hand including Yarn Bee – Tender Touch

- Knitting Needles: Size 5.5 mm (US9) Double Pointed Needles (or use the Magic Loop Method) OR whatever size is needed to obtain gauge

- Yarn or Tapestry Needle

Abbreviations:

- K: Knit
- P: Purl
- K2tog: Knit the next two stitches together

- **: Repeat the section in between the two stars as specified

Gauge:

8 sts and 11 rows = 2 inches (5 centimeters) in Stockinette

It is important to check your gauge!

Average Head Circumference:

Newborn: 13-14"

0-3 Months: 14-15"

3-6 Months: 14-17"

6-12 Months: 16-19"

1-3 Year: 18-20"

3-10 Years: 19-20.5"

For color-work sections, you are welcome to choose the method that best works for you. I carried my black tire yarn and my base color 1 yarn along the inside of the hat for each round. For the trucks, I created 1.5-2 yard long segments of yarn to work each individual truck with. I did not carry the truck yarn along the back. If using this method, be sure to twist your truck yarn around base color 1 yarn on either side so you won't be left with gaps on the edges of the trucks.
