Measurement	Mitt size
6.0" – 6.5" (15cm - 16.5cm)	XS
6.5" – 7.5" (16.5cm – 19cm)	S
7.5" – 8.5" (19cm – 21.5cm)	M
8.5" – 9.5" (21.5cm – 24cm)	L

Measure around your hand to determine glove size. X-small should fit girls from around age 5 – 10, Small is a teen and small women's, etc. The pattern is designed to be snug, so if you're between sizes, I recommend going up to the next size.

### Pattern Notes

Much of this pattern is worked in rounds. Do not turn your work unless instructed to.

Where the number of stitches is written before the stitch (2SC) work that number of stitches into the next available stitch. Where the number of stitches is written after the stitch (SC2) work one stitch into each stitch along until you have completed the number of stitches indicated.

### Tutorials for special stitches

Here's a great tutorial on the puff stitch. If you've never done one before, I recommend it.

<http://littlemonkeyscrochet.com/tutorial-chainless-foundation-no-more-chains/>

This pattern uses a foundation chain single crochet. It is recommended as it has more stretch and is easier than stitching into a chain. Here is a tutorial for it.

## Granny Square (Make two, all sizes)

### Main Colour

Ch4, slst to first chain to make a circle.

**R1.** Ch1. Into ch4 space **loosely** SC8. Slst into top of Ch1 to join. DO NOT CUT. (8)

Puff Stitch (yarn over, put hook into stitch that your ch3 started in, yarn over and draw a loop up, pull it right up to the level of the ch3, yarn over, put hook in and draw another loop 3 more times, so that you have a total of 9 loops on your hook. Yarn over and pull through all 9 loops) ch3, slst into same stitch, slst into next stitch\*. Repeat into each stitch until you have 8 petals. Fasten off and cut your yarn.

### Main Colour [Figures 1 - 4]

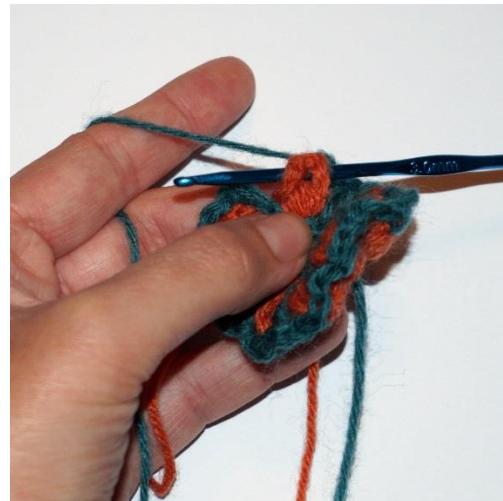

**R3.** Slst into slst between petals, ch4, \*slst into the top of the next petal. (hook goes behind first chain, in front of puff, behind second chain as pictured, If you would like to make your puff stitches look more puffy, go in front of the chains and behind the puff, and this will push the puff stitches forward instead of backwards – *figure 4a*) Ch2, DC into the slst between the next petals, ch2\* Repeat 7 times. Slst to Ch4 space.

**R4.** Ch2. DC then HDC into the ch4 space. \*Into the next ch2 space HDC, 2SC. Into the next ch2 space 2SC, HDC. Into the next ch2 space HDC, 2DC. Ch2. **R10.** [In this row we are using chains and slip stitches to make a row of false DC to link the cuff to the granny square we made earlier]. **Figures 5-7**

Ch2. Slst into bottom right corner of granny square. Keep the square above the cuff. Working towards the left, and keeping your working yarn to the right of the hook, slip stitch into next stitch of the granny square. \*Ch2. Slst into the next free DC of the cuff. Slst. Ch2. Slst into the next free stitch of the granny square. Slst\* Repeat from \* to \* until you have 15 chains connecting the cuff to the square. 2DC into next st. DC 24. 2DC. Slst into first corner of the square, the same one your first Slst went into. (43)

**R11.** [Now we begin short rows that form the palm and link up the sides of the granny square. The first Slst of the row is equivalent to the chain that we did at the start of rounds 2-8, it lifts your yarn to the level of the new row. The Slst at the end of the row is equivalent to the Slst that joins each round, be sure to place it in the next free stitch of the square, if you place it too low you'll end up with extra rows.]

**Rows 19 - 26.** Slst. Turn. SC 43. Slst

*[You should now be at the top right corner of the granny square. If your rows don't add up, finish a row early rather than a row late and just skip the top corner stitches when you work the next row. Work each row in the same direction, with the right side of the stitch facing out. If you wish, you may work these rows in a continuous round, just skip the slip stitch and chain one.]*
